| Tuesday, Sept. 26: | Individual photos will be taken between 10am-noon |
| Wednesday, Sept. 27: | Individual photos will be taken between 10am-noon
Class photo will be taken at 11am this day* |
| Thursday, Sept. 28: | Individual photos will be taken between 10am-noon |

***Important notes on preschool class photo:**

- If you would like your child to be in the “All Preschool” class photo, you must bring them to class on this day by 11am, even if it is not your regularly scheduled day to attend.
- Once the class photo is taken, we will ask all those not regularly scheduled on Wednesdays to leave so that class can continue as normal.
- Over the years we have found that having LOTS parents in the preschool class shot makes for a much happier set of preschoolers – so please be prepared to be in the photo.

Taking photos of preschoolers is not an easy task! Our photographer this year has graciously offered to work at getting either “sitting still” portraits, or more “candid” (but no less wonderful) shots of your child as the situation presents itself. She will not be forcing any child to sit for a portrait that does not want to. Rather, she will work to get a photo of your child happily enjoying their day at Mulberry.

Information on Sibling Photos:

This year we will offer sibling photos for any siblings that attend Mulberry.

- Photo will be taken during the scheduled day/time of the youngest elementary sibling.
 - Example: If you have a preschooler, a kindergartener, and a 3rd grader, your sibling photo will be taken at the Kindergarten scheduled day/time.
 - This year we are not offering family photos, nor are we offering sibling photos including children that go to other schools.
-

Pricing and Delivery:

Our school photographer this year is none other than our own Mulberry Parent Extraordinaire, **Lisa Koza**. Lisa had taken photos of Mulberry kids for many events over the years and they have been lovely. Not only has she donated her time to do this, but she has generously asked that all proceeds go to Mulberry.

Cost for one student: \$80

- 4-6 digital photos of child
- 1 printed class photo

Cost for 2 or more students: \$120

- 4-6 digital photos of each child
- 4-6 digital photos of siblings
- 1 printed class photo for each child

Class photo only: \$25

- 1 printed class photo

Attached is a form for you to fill out. (You can also access the form on the homepage of our website.)

Please specify which package you would like to and turn it into the office as soon as possible. We will be taking photos of all of our students, but we will rely on this form to let us know which package (if any) you have selected. The amount of the package you select will be deducted directly from your FACTS account.

We cannot thank Lisa enough for offering to support our school in this amazing way.
